From DinkSolutions

WARNING! Don't hit any peoples in this D-mod or you'll die! Except in the king's castle :-)

After the cutscene go along the road untill you get to the save machine. Go 1 East then 1 North. Enter to the house and talk with the old man to learn music. After when you FAILED learning the trumpet go back to the save machine and go 1 South and enter the house. Talk with the woman and select "Can you deliver it at home?". Go back where you started but wait! Do you see four trees (those that you can burn them of course)? Go up and punch the door. Talk with the gnome and go back to the village. From the save Machine go 1 West and enter the house and talk with the farmer. After that go 1 South and enter the Big house. Talk with the man. Here are the ways to complete these jobs:

- First Job: Go to the small house where are pigs and talk to the man. You'll get a pizza. Go back to the gnome's house where you get a mini-piano and punch again the door. Go back to your chief and you'll get a next job.

- Second Job: Go to the woman who sells barrels and ask her if she can fill with the beer. Go to the house where you learned trumpet and talk with the old man. Go back to your chief for the last job.

- Third Job: Go 2 North from your chief's house and 1 East. Get a necklace (it's behind the tree) and go back to your chief. You'll get 200 gold.

Go back to the farmer who repairs roof and give him the money (WARNING! When he leaves you'll be unfreezed so exit the house). After that go back to the gnome and talk. Go back where you started and go back to the village again. From Save machine go 1 West and 1 North. Enter the house and talk with the mayor. G back to the save machine and from that go 1 East, 1 South. Enter the mines and use the warping machine.

~*THE END*~
